RE: Olin Corp./McIntosh Plan Superfund Site
Revised Phase III Sampling and Analysis Plan

Dear Mr. Lee:

I am forwarding a copy of the Revised Sampling and Analysis Plan (SAP) for the Olin/McIntosh Site to Pete Douglas with the Fish and Wildlife Service.

Please review this document for inclusion of previous comments. Also enclosed is Olin's response to our comments. I am requesting specific comments on this document on or before July 17, 1992. If there are any outstanding issues that were not adequately addressed, please inform and a meeting may be necessary to rectify your concerns.

If you foresee a problem with meeting the requested deadline, please contact me at (404)347-2643 as soon as possible. Thanks for your cooperation in this matter.

Sincerely,

Cheryl W. Smith

RE: Olin Corp./McIntosh Plant Superfund Site
Revised Phase III Sampling and Analysis Plan

Dear Mr. Downey:

You should have received via federal express (June 26, 1992) a copy of the Revised Phase III Sampling and Analysis Plan (SAP) for the Olin/McIntosh Site. If you have not received two copies of this document, please give me a call as soon as possible. I am sending a similar letter to Fred Harders in Commissioner Martin's office. I informed him that you will be transmitting him a copy of the document. I also transmitted the document to Danny Moore in Dr. Mancini's office. If there are any other offices that you feel need to be included in this review process, please let me know.

Please review this document for inclusion of previous comments. Also enclosed is Olin's response to our comments. I am requesting specific comments on this document on or before July 17, 1992. If there are any outstanding issues that were not adequately addressed, please inform and a meeting may be necessary to rectify your concerns.

If you foresee a problem with meeting the requested deadline, please contact me at (404)347-2643 as soon as possible.
